

# Welcome

## Welcome to the team!

### Gurvinder Bhandal

Gurvinder is a new dentist to the EPD team and has a particular interest in aesthetic restorative procedures, including smile design, invisible fillings, crowns and veneers. He is also qualified to carry out Invisalign® treatment.

Gurvinder is a born and bred Northampton chap and enjoys playing sports and games with friends and family. Other hobbies include hiking, traveling, and watching movies.

### Rakhee Shah

Rakhee is another new dentist to the EPD team. She qualified in 2012 and is now a dentist with a Special Interest in Endodontics (root canal treatment). Having Rakhee at the practice means we do not need to refer patients elsewhere for this type of treatment.

Rakhee is also a local girl who enjoys cycling, swimming, yearly ski trips and spending time with her young family.

## Congratulations!

Elly is having a baby

We would like to congratulate Elly and her partner on the exciting news that their family is growing, with baby due early-January.

## Happy Anniversary

Jo has been at EPD for 13 years now - leading from the front and inspiring us all every day.

## Goodbye & Good Luck

We are sad to say Goodbye to Michael Clark, our dentist with Special Interest in Endodontics (root canal treatment). Mike is stepping back from EPD to focus on his own practice in Manchester and his growing family. We wish him all the best.

## Toasty Team!

It gets a bit chilly in our building over winter so you may notice an addition to our uniforms - wonderful new EPD hoodies!

## Just for fun...

What is a dentists favourite time of the day?

2.30!

## COVID-19:

### Safety measures still in place

As we head into winter we will continue with many of the COVID safety measures we have had in place over the last 18 months. We thank you for your continued support in helping us to ensure we keep the practice safe for all.

## Invisalign: Transforming your smile without disrupting your life

Did you know that here at East Park Dental we offer Invisalign® treatment?

Invisalign® is a clear aligner system for straighter teeth in as little as 6 months!

If you want to know more, why not join us for our open day\* on Monday 29th November or head over to our website where you will find more information on how it works:

[www.eastparkdental.co.uk/treatments/invisalign](http://www.eastparkdental.co.uk/treatments/invisalign)

\*Appointment only, call to book yours on 01604 638102

Please help us to reduce our waiting times.

Did you know that in the last 6 months we have had over 65 hours worth of missed appointments? This doesn't include short notice cancellations (less than 2 working days) resulting in the appointment slots often not getting filled. We have a huge amount of patients waiting to be seen, and often having to wait many weeks for their appointment, so if you are unable to make it to your appointment please let us know as early as possible so we can offer the slot to someone that is waiting. Missed appointments and short-notice cancellations may incur a charge of £1 per minute of the appointment.
